86

Opthalmia neonatorum or babies' sore eyes may cause the blindness of the child unless prevented or cured.

Keep the discharge of the mother out of the baby's eyes.

Wipe the baby's eyes with absorbent cotton moistened in warm boiled water as soon as the head is born.

Burn the cotton used; the disease is infectious.

Do not include the eyes in the first general bath.

Drop in the eyes of the child as soon as it is born a one (1) per cent. solution of nitrate of silver (or such other preventative as may be [illegible]

I believe Doctor Kennedy was the doctor at the time of the birth of these Children
